ADMISSION REQUIREMENTS FOR MASTER OF SCIENCE IN CRIMINAL JUSTICE

Those seeking admission to the Master of Science in Criminal Justice program must have earned a bachelor's degree in criminal justice, criminology, or a related field from a nationally or regionally accredited institution recognized by the Council for Higher Education Accreditation (CHEA). If the degree is in an unrelated field, a minimum of three years of occupational experience in the field of criminal justice is required.

Program entrance requirements and degree completion requirements are consistent with those of the graduate programs of the institution. Students seeking admission should follow the instructions found in the online Admission Policies and Procedures section of this catalog. To be eligible for admission in full standing, a student must have an overall undergraduate grade point average of 2.75 or above, or 2.90 on the last 60 credits from the degree-granting institution.

Applicants must submit

All application material will be reviewed by the Criminal Justice Department Admission Committee. Recommendation for admission will be based on demonstrated ability to perform graduate work, including theoretical and statistical coursework, based upon the professional judgment of the Admission Committee.

Students who do not qualify for admission in full standing may be admitted on trial enrollment, which must be justified by the admitting department and approved by the Director of the School of Graduate Studies. Students are allowed seven years from the date of admission into the program to complete degree requirements. Extensions may be granted for extenuating circumstances.
