

PHILOSOPHY (PHLSPHY)

PHLSPHY 1130 Introduction to Philosophy 3 Credits

An introduction to basic philosophical questions through a consideration of different types of philosophy as developed by some of history's most influential thinkers and as related to various aspects of human life.

Components: Class

GE: Humanities

PHLSPHY 2050 Philosophy of Love, Sex and Friendship 3 Credits

A philosophical examination of personal relationships and interactions such as family, friendship, sex, and romance, with an eye toward their relevance to the individual life and the pursuit of happiness, as well as society as a whole and the manner in which it is and ought to be structured around such relationships.

Components: Class

GE: Humanities

PHLSPHY 2100 Thinking Critically 3 Credits

An introduction to critical thinking, with an emphasis on its importance to human life (e.g., education, employment, morality, politics, religion). The primary focus of the class is the practical application of critical thinking by way of competence in key reasoning methods, typically including the construction and analysis of informal arguments, the identification of fallacies, basic inductive logic, statistical reasoning, etc.

Components: Class

GE: Humanities

PHLSPHY 2530 Ethics 3 Credits

The major types of theories of right and wrong that underlie moral evaluations.

Components: Class

GE: Humanities

PHLSPHY 2550 Business Ethics 3 Credits

This course explores ethical questions in business from the perspectives of employers, employees, and consumers, according to the methods of philosophy and grounded in philosophical ethical theories. Students will be introduced to the basics of Kantian ethics, utilitarianism, and virtue ethics and will then apply these theories to various issues in business ethics.

Components: Class

GE: Humanities

Prereqs/Coreqs: P. sophomore standing or instructor consent

PHLSPHY 2630 Logic 3 Credits

An introductory study of the structure of reasoning and argumentation with practical applications in the socio-political sphere, science and philosophy.

Components: Class

PHLSPHY 2930 Major Traditions in Eastern Religions 3 Credits

An introductory study of Hinduism, Buddhism, Zoroastrianism, Islam, Confucianism, Taoism, Shinto and Zen, with outlines of their histories, developments of their doctrines and consideration of their contribution to the religious thought of the world.

Components: Class

GE: Global Studies (former Int Ed), Humanities, International Education

PHLSPHY 2940 Special Topics in Philosophy 3 Credits

A critical examination of a major theme, movement, period, philosopher, or philosophical issue. This course is designed for students from any field or major, and does not presuppose an advanced stage of the study of philosophy.

Components: Class

PHLSPHY 3030 Ancient and Medieval Philosophy 3 Credits

Representative thinkers and the development of different traditions in Western philosophy from the pre-Socratics to the Renaissance.

Components: Class

GE: Humanities
