## COMPETENCY REQUIREMENTS ([HTTPS://CATALOG.UWPLATT.EDU/UNDERGRADUATE/DEGREE-REQUIREMENTS/GENERAL-EDUCATION-COURSES/#COMPETENCIESTEXT](https://catalog.uwplatt.edu/undergraduate/degree-requirements/general-education-courses/#competenciestext))

The competency requirements are met by taking approved courses in the areas of communication (English composition and speech), mathematics, wellness, physical activity and world languages.

### ENGLISH COMPOSITION (6-7 CREDITS)

Students' UW System English Placement Test scores determine whether or not they will be invited to take the test-out for ENGLISH 1130. Except for qualified students who test out of ENGLISH 1130, students must take each of the courses in the freshman composition sequence. The ENGLISH 1130 requirement is waived for transfer students with transcribed credit for College Writing II (ENGLISH 1230), plus 30 or more total transfer credits at the time of admission.

### MATHEMATICS (3 CREDITS)

The number of mathematics credits required of students will vary with the degree they are completing. UW System Mathematics Placement Test results will establish a student's level of mathematics proficiency, and suggest which preparatory/remedial mathematics courses are needed to meet the prerequisite for the MATH 1620 or higher mandate. Also, the mathematics requirement will be waived for students who receive credit for MATH 2640. Students must meet the mathematics competency requirements before their junior year. Students may consult the UW-Platteville Mathematics Department for details concerning test-out credit.

### SPEECH (3 CREDITS)

### WELLNESS (1 CREDIT)

### PHYSICAL ACTIVITY (1 CREDIT)

### WORLD LANGUAGES (0-8 CREDITS)

Students must complete one of the following: 1) A minimum of two years (4 semesters) of high school world language courses in the same language with a C or better average in the second year (or higher); or 2) Completion of the second semester (or higher) in a university-level world language with a grade of "C" or better. Students with one or more years of high school language may wish to test into a higher level course. Retroactive credits may be earned. Refer to Credit by Examination or Prior Learning (<https://catalog.uwplatt.edu/undergraduate/admission-prior-credits/credits-by-examination/#retroactive-world-languages-credit>) for additional information. Students already fluent in a second language other than French, German or Spanish should consult with the UW-Platteville Humanities Department. The general education world language requirement is waived for international students. The general education world languages requirement may be waived for online degree students (exclusions may apply).
