Students in good standing may continue at the university, return to the university or transfer to another institution. ## **GRADE POINT**

## **INCOMPLETE**

The grade assigned when the student is temporarily unable to complete course requirements because of unusual circumstances. The student must complete all work and assignments necessary to complete the class requirements within the time period designated by their instructor not to exceed six months. **REPEAT**

The most recent grade is used regardless of whether it is higher or lower than the previous grade. If the repeat results in the grade of "F" and the student had previously earned a grade higher than "F," the "F" replaces the grade in the calculation of the grade point average, and the student loses the credits since no credits are granted when a grade of "F" is earned. Grades earned in three or more attempts of a course do not replace prior grades but are included in the grade point average.
