

# INTERNATIONAL STUDENTS

---

Students who earned a bachelor's degree outside the United States must request their academic records (called transcripts in the U.S.) be sent directly to the Office of Professional Program Support from the issuing institution, along with a translated copy if they are not in English. Any records received become a part of the student's permanent student record at UW-Platteville and cannot be released. International transcripts are subject to a course-by-course evaluation. UW-Platteville has approved Educational Credential Evaluators Inc. (ECE) (<http://www.ece.org>) or World Education Services (WES) (<https://www.wes.org/>) to complete this evaluation. Both require official transcripts/academic records to complete the evaluation.

Students who attended a university outside the United States must follow these procedures:

1. Request official transcript(s) from the institution(s) where they earned their degree(s), including an official translated copy if the transcript is not in English.<sup>1</sup>
2. Go to the ECE, WES, or One Earth website to request the "Course by Course" report option.
3. Pay all fees associated with setting up an account.
4. Provide an official translated copy of the official transcript. (Neither UW-Platteville, WES, ECE, nor One Earth provide translation services.)

<sup>1</sup> All official transcripts must be sent directly from the institution(s) where the course work was completed. We cannot accept or evaluate unofficial transcripts.

International applicants are required to submit evidence of English proficiency by successfully completing one of the following areas:

- An Official TOEFL Score: A minimum score of 550 PBT (paper-based) or 80 iBT (internet-based) on the Test of English as a Foreign Language Examination is required of all international students whose native language is not English.
