

AGRICULTURAL EDUCATION, AGRIBUSINESS (NON-TEACHING WITH A MINOR), B.S.

The agribusiness emphasis of agricultural education is not intended to provide teacher certification for teaching in public schools. It is rather an option to prepare graduates for

- teaching or working in the agricultural industry,
- working in the Cooperative Extension Service, or
- continuing to complete a Master of Science in Education. A master's degree would be necessary to become employed in the Cooperative Extension Service. The M.S.E. would meet the requirements for obtaining a license to teach agriculture at the secondary level.

Requirements for this option are similar to those of the teaching option except that fewer education classes are taken and the student is not required to student teach. In addition, the students are not required to be admitted to the teacher education program. As such, they do not need to meet the G.P.A. or PPST requirements listed for the teaching option.

Course	Title	Credits
General Requirements		
General Education (http://catalog.uwplatt.edu/undergraduate/degree-requirements/bachelor-of-science-degree-core-curriculum/)		40-53
School of Agriculture Core (http://catalog.uwplatt.edu/undergraduate/business-industry-life-science-agriculture/agriculture/#soa-core)		12
Required Agricultural Education Courses		
TEACHING 1230	Introduction to Education	2
AGEDUC 2920	Introduction to Agricultural and Extension Education	2
AGEDUC 4930	Teaching Cooperative Education in Agriculture	3
Required Crops/Soils/Environmental Horticulture Courses		
SCSCI 2230	Soils	4
or SCSCI 3260	Seed and Grain Crops	
SCSCI 3350	Soil Fertility and Fertilizers	3
or SCSCI 3330	Soil Morphology and Classification	
Soils and Crops (SCSCI) or Environmental Horticulture (ENVHORT) electives		5
Required Animal Science Courses		
ANSCI 3000	Animal Nutrition	3
ANSCI 3030	Genetics of Livestock Improvement	3
ANSCI 3110	Reproductive Physiology of Domestic Animals	4
Animal Science (ANSCI) elective		3
Required Agribusiness Courses		
AGBUS 2430	Agricultural Marketing	3
AGBUS 2500	Producer and Consumer Cooperatives	3
AGBUS 3460	Farm Business Management	3
AGBUS 4500	Agribusiness Management	3
Agribusiness (AGBUS) electives		5
Required Agribusiness Engineering Technology Courses		
AGET 3830	Engines and Tractor Systems	3
AGET 3950	Soil and Water Conservation Engineering	3
AGET 4890	Structures and Environmental Control	3
Agribusiness Engineering Technology (AGET) electives		5
Total Credits		115-128
