<sup>1</sup> Complete 12 credits of Agriculture content courses plus earn a minimum of 120 credits overall;  
OR Complete 12 credits in Agriculture/Industrial Studies with a minor plus earn a minimum of 120 credits overall.

<sup>2</sup> AGBUS 2500 is recommended.

The comprehensive agricultural education major provides a balance of coursework from among the four technical subject matter areas in agriculture. The major in agricultural education may be complemented with a minor or an emphasis in ornamental horticulture or agribusiness management.

Graduates who qualify for certification to teach agriculture at the junior/senior high school level must have at least 2,000 hours of occupational experience in agriculture. Students not having such experience may meet this requirement through summer employment or by enrolling in AGEDUC 3750.

The occupational experience required of post-secondary teachers is 12 months for the provisional certificate.

## **REQUIREMENTS FOR ADMISSION TO TEACHER EDUCATION**

To be eligible for admission, teacher candidates must meet the following minimum requirements:

1. Successfully complete the Pre-Professional Skills Test. Passing scores for the PPST are reading 175, writing 174 and mathematics 173. Teacher candidates should take the PPST during their first year at UW-Platteville
2. Earn grades of "C" or better in the following courses: Freshman Composition (ENGLISH 1130 and ENGLISH 1230), Speech (SPEECH 2010 is strongly recommended, though SPEECH 1060 will satisfy the requirement), and TEACHING 1230 or HHP 2320.
3. Have earned 40 semester credits in an accredited college of which 15 credits have been earned at UW-Platteville
4. Have a cumulative grade point average of 2.65 or better
5. Prepare an admission portfolio, present it to an interview committee during Pre-Professional Days and be recommended for admission by committee

## **REQUIREMENTS FOR ADMISSION TO STUDENT TEACHING**

To be eligible for admission to student teaching, a candidate must:
