

AGRICULTURAL INDUSTRIAL ENGINEERING TECHNOLOGY MINOR, FOUR-YEAR PLAN

Below is a sample degree plan that can be used as a guide to identify courses required to fulfill the major and other requirements needed for degree completion. The following is only an example and represents a possible course sequence for first-year students entering UW-Platteville in the fall term. The major requirements do not add up to the 120 credits needed for graduation. See your advisor for additional guidance. A student's actual degree plan may differ depending on the course of study selected (emphasis, second major, minor, etc.), placement scores, and incoming credits (transfer, AP, etc.). Students should consult their program advisor(s) to ensure that they have the most accurate and up-to-date information available about a particular four-year degree option.

This sample plan assumes readiness for each course and/or major plan. Some courses may not be offered every term. All courses may not be available at all campuses and/or in all formats.

Students should use the Academic Advisement Report (AAR) in PASS and work closely with their advisor(s) to ensure completion of all requirements in a timely manner.

	Year 1
First Semester Credits	
ENGLISH 1130	3
UWPSTUDY 1010	1
Fine Arts General Education Elective	3
INDUSTDY 1010	3
AGET 1750	3
HHP 1000	1
	14

Total Credits: 14

	Year 1
Second Semester Credits	
ENGLISH 1230	3
MATH 1830	3
Natural Science General Education Elective	4-5
HHP Activity General Education Elective	1
Major Course	3
	14-15

Total Credits: 14-15

	Year 2
First Semester Credits
