

# TECHNOLOGY AND ENGINEERING EDUCATION MAJOR, B.S., FOUR-YEAR PLAN

Below is a sample degree plan that can be used as a guide to identify courses required to fulfill the major and other requirements needed for degree completion. The following is only an example and represents a possible course sequence for first-year students entering UW-Platteville in the fall term.

The major requirements do not add up to the 120 credits needed for graduation. See your advisor for additional guidance. A student's actual degree plan may differ depending on the course of study selected (emphasis, second major, minor, etc.), placement scores, and incoming credits (transfer, AP, etc.). Students should consult their program advisor(s) to ensure that they have the most accurate and up-to-date information available about a particular four-year degree option.

This sample plan assumes readiness for each course and/or major plan. Some courses may not be offered every term. All courses may not be available at all campuses and/or in all formats.

Students should use the Academic Advisement Report (AAR) in PASS and work closely with their advisor(s) to ensure completion of all requirements in a timely manner.

Bachelor of Science students who have not maintained a "C" or higher average in one year (2 semesters) of high school foreign language course must complete a minimum of one semester in a university-level foreign language with a grade of "C" or better.

	Year 1
<b>First Semester Credits</b>	
ENGLISH 1130	3
Fine Arts General Education Course	3
INDUSTDY 1230	3
INDUSTDY 1010	3
HISTORY 2020	3
UWPSTUDY 1010	1
	<b>16</b>

**Total Credits: 16**

	Year 1
<b>Second Semester Credits</b>	
ENGLISH 1230	3
INDUSTDY 1830	3
INDUSTDY 1030	3
MATH 1830	3
TEACHING 1230	2
HHP 1000	1
	<b>15</b>

**Total Credits: 15**
