

# ASSOCIATE DEGREES

---

## ASSOCIATE OF ARTS AND SCIENCES

The Associate of Arts and Sciences degree (<https://catalog.uwplatt.edu/undergraduate/degree-requirements/associate-degrees/associate-of-arts-and-sciences/>) is the foundation for the bachelor's degree. An associate's degree helps graduates break into the professional world and build the skills and foundation to advance into a bachelor's program. Students with the Associate of Arts and Sciences degree have satisfied the university-wide general education breadth requirements.

## ASSOCIATE OF SCIENCE IN BUSINESS ADMINISTRATION

The Associate of Science in Business Administration (<https://catalog.uwplatt.edu/undergraduate/degree-requirements/associate-degrees/associate-of-science-business-administration/>) provides a foundational understanding of the practices and frameworks to manage contemporary business situations. The program is an ideal blend of high-demand soft skills (e.g. communication, problem solving, interpersonal factors) and critical technical knowledge within various business functions.

## ASSOCIATE DEGREE OVERALL REQUIREMENTS

1. A minimum of 60 credits (some programs require more than 60 credits)
2. Fulfilled all general education and degree requirements
3. A cumulative grade point average of at least 2.00
4. Have earned at least 21 credits at UW-Platteville
