

ASSOCIATE OF SCIENCE IN FOOD AND AGRICULTURE, TWO-YEAR PLAN

Below is a sample degree plan that can be used as a guide to identify courses required to fulfill the major and other requirements needed for degree completion. The following is only an example and represents a possible course sequence for first-year students entering UW-Platteville in the fall term. The major requirements do not add up to the credits needed for graduation. See your advisor for additional guidance. A student's actual degree plan may differ depending on the course of study selected, placement scores, and incoming credits (transfer, AP, etc.). Students should consult their program advisor(s) to ensure that they have the most accurate and up-to-date information available about a particular two-year degree option.

This sample plan assumes readiness for each course and/or major plan. Some courses may not be offered every term. Courses may not be available at all campuses and/or in all modalities (i.e., in person, online, hybrid, etc.).

Students should use the Academic Advisement Report (AAR) in PASS and work closely with their advisor(s) to ensure completion of all requirements in a timely manner.

61 Credits required for graduation:

- 35 credits in required courses for Associate of Science in Food and Agriculture.
- 26 credits in general education courses, some required for all A.S. degrees, some electives chosen based on each student's interests.

	Year 1
First Semester Credits	
AGBUS 1500	3
AGBUS 1000	1
ANSCI 1000	3
ENGLISH 1130	3
Fine Arts General Education Elective	3
History General Education Elective	3
	16

Total Credits: 16

	Year 1
Second Semester Credits	
SPEECH 1060	3
ENGLISH 1230	3
SCSCI 1240	3
MATH 1830	3
AGBUS 2330	3
HHP 1000	1
