

SIMULTANEOUS ENROLLMENT AT ANOTHER INSTITUTION

TRANSFER POLICIES

Generally, credits earned at other accredited colleges and universities will be accepted by UW-Platteville. Academic departments may require a minimum grade to satisfy a requirement. Transfer courses are not included in the cumulative grade point average; therefore, it is not recommended to repeat coursework at another institution, since the UW-Platteville coursework will remain in the g.p.a. Official transcripts must be submitted upon course completion.

Students enrolling in courses at another institution are responsible for making certain such courses meet the requirements of the curriculum in which they are enrolled. In case of doubt, students should contact the registrar, academic advisor or the chairperson of the department in which they intend to major.

UW-Platteville is not able to provide enrollment verification to third parties (e.g., lending institutions) for coursework taken at another institution.
