

# CONTINUING EDUCATION INSTITUTE

---

Contact: Michelle Zasada  
Phone: 608.342.1314

The Continuing Education Institute brings together professionals and community members of all ages in Southwest Wisconsin, the tri-state region, and across the state of Wisconsin, through lifelong learning experiences. Continuing education classes, programs, and events serve learners' requests and needs, and provide a supportive, convenient, and positive environment that creates shared learning connections between UW-Platteville and the communities in our region. The Continuing Education Institute, in a partnership between the University of Wisconsin-Platteville and University of Wisconsin-Extension, carries out the Wisconsin Idea of extending university resources beyond campus boundaries to the citizens of southwestern Wisconsin.

The University of Wisconsin-Platteville provides numerous continuing education opportunities for lifelong learners, companies, non-profits, governmental agencies, and professionals looking to take their teams and careers to the next level.

Engage in lifelong learning through traditional and online classes, customized training, certificate programs, workshops, events, and seminars at three convenient locations in Wisconsin:

- Platteville
- Baraboo Sauk County
- Richland

For more information, or to request a catalog, call 608.342.1314 or toll free 1.888.281.9472. Access course offerings electronically and register electronically via <https://www.uwplatt.edu/department/continuing-education-institute> (<https://www.uwplatt.edu/department/continuing-education-institute/>).
